**Re: Ex Parte Statement  
ET Docket No. 12-338**

Dear Ms. Dortch:

Submitted herewith on behalf of Aerospace and Flight Test Radio Coordinating Council, Inc. ("AFTRCC") is a list of airport names. This is submitted at staff request.

It should be noted that two of the locations previously referenced in Comments as prospective sites for aeronautical mobile telemetry, namely, Palm Beach-Dade Florida and Seattle-Tacoma International Airport, are not correct. The correct location in the case of Palm Beach-Dade is the William P. Gwinn Airport; in the case of Seattle, the correct location is Boeing Field/King County International Airport. These airports are in the vicinity of the locations previously referenced.

Any questions regarding this filing may be directed to the undersigned.

Sincerely,

William K. Keane
