

60001015060.txt

I get calls from "Rachel, for cardholder services" or equivalent quite often. In fact, probably 3-4 times a week. We must stop this robo-calling immediately! I thought that by enlisting in do-not-call, that I would not be getting these calls, but I guess I am not protected??

Please put laws (and action) in place to stop this fraud ASAP.

Thanks,

John Feldmann
