The Federal Communications Commission currently has two pending e-rate appeals filed by Community Partnership of Madera (FCC Form 471 Application Number 880246). One was filed June 9, 2014 and the other was filed with USAC May 4, 2014 (USAC referred the appeal to the Commission to handle). The Commission has learned that on September 12, 2014, USAC issued an Administrator's Decision of FCC Remand letter approving the appeal. The Commission would like to close out its records if no further review is necessary. Please respond to this email indicating that the Commission can withdraw the two pending appeals filed by Community Partnership of Madera.

Sincerely,

Adrian Wright
