Re: **REDACTED—FOR PUBLIC INSPECTION**

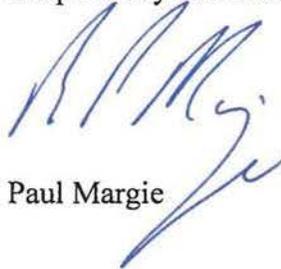

*Special Access Rates for Price Cap Local Exchange Carriers, WC Docket No. 05-25; Request for the Amendment of the Commission's Rules to Reform Regulation of Local Exchange Carrier Rates for Interstate Special Access Services, RM-10593*

Dear Ms. Dortch:

As required by the Federal Communication Commission's Data Collection Protective Order in this proceeding, Sprint Corporation has uploaded to the Special Access Web Portal confidential and highly confidential versions of its narrative and data responses to the Special Access Data Collection. All of the information included in Sprint's narrative and data responses is confidential or highly confidential; accordingly, Sprint is not filing a version of its responses on the public docket.

Please let me know if you have any questions.

Respectfully submitted,

Paul Margie
