Re: WC Docket Nos. 05-25 and RM-10593

Dear Ms. Dortch:

Cox Communications Inc. (“Cox”), by and through its attorneys, hereby submits its responses suitable for public inspection, including redacted versions of its confidential and highly confidential information, in response to the Federal Communications Commission data collection.¹ Cox submits this information on behalf of itself and the affiliates identified in response to Question II.A.1.

Pursuant to the Protective Order adopted in this proceeding, respondents were required to submit redacted versions of confidential and highly confidential information submitted in response to the data collection, except for documents or data containers containing highly confidential data submitted to the FCC using the Special Access Web Portal.²

¹ See, e.g., *Special Access for Price Cap Local Exchange Carriers; AT&T Corporation Petition for Rulemaking to Reform Regulation of Incumbent Local Exchange Carrier Rates for Interstate Special Access Services*, WC Docket No. 05-25, RM-10593, Order on Reconsideration, 29 FCC Rcd 10899 (2014) (*Reconsideration Order*); App. A, Data Collection Protective Order, para. 1 (defining Data Collection); *Special Access for Price Cap Local Exchange Carriers; AT&T Corporation Petition for Rulemaking to Reform Regulation of Incumbent Local Exchange Carrier Rates for Interstate Special Access Services*, WC Docket No. 05-25, RM-10593, Order and Data Collection Protective Order, 29 FCC Rcd 11657 (2014) (“Protective Order”).

² *Protective Order*, 29 FCC Rcd at 11665, ¶ 22. Confidential information, highly confidential information and highly confidential data are all terms defined in the *Protective Order*. *Id.* App. A at 14. The *Protective Order* also specifically identified data responses that constitute highly confidential information that is highly confidential data. *Id.* App. B.
