Re: Station KNKM842
EB Docket No. 06-36

Dear Ms. Dortch:

We are filing this letter on behalf of William S. Gross and Joan Gross, the licensee of narrowband wireless Radiotelephone Station KNKM842, Whitney Park, Long Lake, New York (the "Station"), to report that there is no CPNI associated with the Station. The Station provides through a single transmitter a "party-line" two-way radio service to residents of a remote area in the Adirondacks. The station is not interconnected to the landline telephone system and no subscriber has the use of a telephone number in connection with the Station. Payment for service is made in person and there is no billing. There are no sales or marketing campaigns. There are no employees or affiliates. No information is compiled relating to the quantity, technical configuration, type destination, location, or amount of use of the system by customers. The licensee filed a declaration with the Commission on September 15, 2008 setting forth these facts.

Respectfully submitted,

SCHWARTZ, WOODS & MILLER
