Dear Ms. Dortch:

On January 29, 2015, Time Warner Cable Inc. (“TWC”) submitted a letter responding to questions from Commission staff regarding TWC’s Internet traffic-exchange policies, as well as the business and technical considerations that impact its arrangements with other network providers. TWC submits this letter in response to a further question from Commission staff regarding TWC’s high speed data service.

TWC tracks the utilization of its cable modem termination system (“CMTS”) ports based on {{
