Dear Sir or Madam:

I am writing to respectfully request a waiver of rule regarding a missed deadline to file my Form 486 timely. Since late 2013 I have been battling a bulging cervical disc that has greatly affected my abilities during this filing year. Beginning in late 2013 and into 2014 I had a progressive loss of the use of my left arm. Surgery was finally performed in Feb 2014 and I have had mediocre post surgery results. During this period of recovery I was able to complete my application PIA's and a FCDL was issued for my 471 applications(471# 894989 & 922278). Only recently has the inflammation and nerve pain begun to cease. This period of illness and recovery resulted in my late filing of our Form 486. I have always filed my previous and subsequent 486's within a very short time of receiving the FCDL.

I believe that it is in the public interest to restore the Service Start Date to 07/01/13 for our schools to receive the funding requested.

Thank you for your kind consideration.

Respectfully Submitted,
