Re: *Protecting and Promoting the Open Internet*, GN Docket No. 14-28;
Framework for Broadband Internet Service, GN Docket No. 10-127

Dear Ms. Dortch:

On February 4, 2015, on behalf of Charter Communications, Inc., I spoke by phone with Matthew DelNero and Stephanie Weiner. In those calls, I argued that, in the event the Commission decides to reclassify broadband Internet access service as a "telecommunications service," the Commission should ensure that state and local authorities are prohibited from imposing new franchising fees or other requirements on ISPs. See Letter from Matthew A. Brill to Marlene H. Dortch, GN Docket Nos. 14-28 and 10-127 (Feb. 4, 2014).

Please contact me if you have any questions regarding this meeting.

Sincerely,

/s/ Samuel L. Feder
