*Re: GN Docket No. 13-114*

Dear Ms. Dortch:

On February 4, 2015, on behalf of SmartSky Networks, LLC (“SmartSky”), Reed Hundt spoke with Diane Cornell, Special Counsel to Chairman Wheeler, regarding the above-referenced docket. He requested that the Commission reiterate the finding in the NPRM that this proceeding will not create the 14.0-14.5 GHz band as the exclusive band for air-to-ground communication or preclude such services in other licensed or unlicensed bands, and state that the use of other bands for such services would be governed by the rules of the relevant band.

Pursuant to the Commission’s rules, a copy of this notice is being filed electronically in the above-referenced docket. If you require any additional information please contact the undersigned.

Sincerely,

Paul Margie  
*Counsel to SmartSky Networks, LLC*
