1. Date filed: February 9, 2015
2. Name of company covered by this certification: Irvine Community Television, Inc.
3. Form 499 Filer ID: 826866
4. Name of signatory: Jim Hays
5. Title of signatory: President
6. Certification:

I, Jim Hays, certify that I am President and an officer of Irvine Community Television, Inc. (Irvine Cable), and, acting as an agent of Irvine Cable, that I have personal knowledge that Irvine Cable has established operating procedures, as summarized in the attached statement, that are adequate to ensure compliance with the customer proprietary network information ("CPNI") rules as set forth in Part 64, Subpart U of the Commission's rules, 47 C.F.R. §§ 64.2001 *et seq.*

Attached to this certification is an accompanying statement explaining how Irvine Cable's procedures ensure that it is in compliance with the requirements (including those mandating the adoption of CPNI procedures, training, recordkeeping, and supervisory review) set forth in Section 64.2001 *et seq.* of the Commission's rules.

Irvine Cable has not received any customer complaints in the past calendar year concerning unauthorized release of CPNI. Irvine Cable does not have any material information with respect to the processes pretexters are using to attempt to access CPNI that is not already a part of the record in the Commission's CC Docket No. 96-115. Irvine Cable has therefore not taken any actions in the past year against data brokers, including proceedings instituted or petitions filed by the company at either state commissions, the court system or at the Commission.

I hereby represent and warrant that the above certification is consistent with Section 1.17 of the Commission's rules, 47 C.F.R. §§ 1.17, which requires truthful and accurate statements to the Commission, and acknowledge that false statements and misrepresentations to the Commission are punishable under Title 18 of the U.S. Code and may subject Irvine Cable to enforcement actions.
