Re: Notice of Oral *Ex Parte* Presentation
RM-11685, RM-11697, IB Docket No. 13-213

Dear Ms. Dortch:

Pursuant to Section 1.1206 of the rules of the Federal Communications Commission,¹ Iridium Constellation LLC (“Iridium”), by its counsel, hereby notifies the Commission that on February 18, 2015, Donna Bethea-Murphy, Vice President, Regulatory Engineering of Iridium, Brandon Hinton of Exelis, Inc. and R. Michael Senkowski, Gregg L. Elias, and Jennifer D. Hindin of Wiley Rein LLP, counsel to Iridium, met with the following Commission staff: Diane Cornell, Special Counsel to Chairman Wheeler, and Troy Tanner, Jose Albuquerque, Chip Fleming, Steve Duall, and Lynne Montgomery, each of the International Bureau.

In the meeting, the participants discussed the written *ex parte* presentation filed by Iridium on February 5, 2015 in the above-referenced dockets.² In particular, the participants reviewed the analysis in the letter demonstrating that Globalstar’s technical analysis fails to show any harm to Globalstar’s system that would be caused by Iridium’s proposal for expanded spectrum sharing. Iridium repeated its request that the Commission act promptly to grant Iridium the relief requested.

Best regards,

/s/ R. Michael Senkowski
