Re: *Connect America Fund*, WC Docket No. 10-90
Modified Election of Connect America Fund Phase I, Round 2 Incremental Support

Dear Ms. Dortch:

Windstream Corporation, on behalf of its incumbent local exchange carrier affiliates (“Windstream”), herein identifies location information, including latitude and longitude, for each location to be counted toward satisfaction of Windstream’s Connect America Fund (“CAF”) Phase I, Round 2 deployment obligation.¹ This location information is being submitted in PDF format for this ECFS filing, and a version of the list in native .csv format will be provided to the Commission via email and on compact disc via courier.

With its \$86.7 million in Phase I, Round 2 support, Windstream intends to deploy broadband meeting the Commission’s standards to 143,072 locations - 35,619 locations that are currently unserved by fixed, terrestrial Internet access with minimum speeds of 768 kbps downstream and 200 kbps upstream, and 107,453 locations that lack 3 Mbps/768 kbps Internet access. Because Windstream’s deployment is not complete, the attached list is subject to modification. Windstream will submit updated information as required.

Please feel free to contact me if you have any questions or need any more information.

Sincerely,

/s/ Tim P. Loken
