Re: *In the Matter of Implementation of Section 621(a)(1) of the Cable
Communications Policy Act of 1984 as amended by the Cable Television
Consumer Protection and Competition Act of 1992 (MB Docket No. 05-311)*

Dear Ms. Dortch:

On February 24, 2015, James Horwood, on behalf of the Alliance for Community Media; Frederick Ellrod in his capacity as the Director of the Communications Policy and Regulation Division of the Department of Cable and Consumer Services in Fairfax County, Virginia; and Joseph Van Eaton and the undersigned on behalf of the City of Los Angeles, California, met with the following members of the Media Bureau and the Office of General Counsel to discuss the Commission’s recent Order on Reconsideration in the above captioned proceeding.

William Lake	Media Bureau
Holly Saurer	Media Bureau
Mary Beth Murphy	Media Bureau
Nancy Murphy	Media Bureau
Brendan Murray	Media Bureau
James Carr	Office of General Counsel
David Gossett	Office of General Counsel
Richard Welch	Office of General Counsel

The purpose of the meeting was to explain the significance of the “in kind” characterization in the Reconsideration Order of certain cable related services such as free services to schools and the potential impact such an interpretation could have not only on communities but also the Commission’s own ConnectED goals. The group also reviewed the Cable Act and its legislative history to question the Commission’s position on I-Nets and the ability of local governments to require same.
