**FRN 0001637990**

Dear Ms. Dortch:

Cougar Communications Corp. dba Texas Bigfoot Communications (the “Company”) hereby files this letter in lieu of a Customer Proprietary Network Information (“CPNI”) certification statement. In an Order dated December 3, 2010 (DA 10-2282) (“December 2010 Order”), the Federal Communications Commission (“FCC”) rescinded Notices of Apparent Liability for Forfeiture (“NALFs”) against several hundred entities stating that the FCC had determined that those entities did not have an obligation to submit a CPNI certification for the year in question. A number of those entities had responded to the NALFs by explaining that they operated two-way radio, dispatch-only systems that were not interconnected with the public switched network. The Company operates a non-interconnected, two-way radio, dispatch-only system identical to the operations described by those entities. Accordingly, the Company believes it is not required to make an annual CPNI filing.

Please note that the Company will not make any future CPNI-related filings unless the Company modifies its current service offerings to include those for which a CPNI certification is required or unless the Company is directed to file by the FCC. Should the Commission have any questions, please contact the undersigned or the Company’s counsel, Elizabeth R. Sachs, at 703-584-8663 or at lsachs@fcclaw.com.
