Re: Proposed Transfer of Control of DirecTV to AT&T Inc., MB Docket No. 14-90 and Comcast Corporation and Time Warner Cable Inc. for Consent to Assign or Transfer Control of Licenses and Applications, MB Docket No. 14-57.

Dear Ms. Dortch:

Pursuant to Section 1.1206 of the Commission's rules, along with DA 14-803, this ex parte notice is filed on behalf of Herring Networks, Inc. On March 2, 2015, Charles Herring, President of Herring Networks, Inc. met with Adonis E. Hoffman, Chief of Staff, Senior Legal Advisor, Office of Commissioner Mignon L. Clyburn and Carter McMillan, Law Clerk, Office of Commissioner Clyburn.

As an independent and family owned national cable programmer, Mr. Herring expressed the company's positive experiences and the fair consideration extended by the Telco video providers when seeking distribution, including from AT&T U-verse TV, and urged the Commission to act swiftly and favorably on the application for transfer of control of DirecTV to AT&T.

Mr. Herring provided a brief overview of One America News Network ("OAN"), including providing and reviewing a nine page printed overview presentation on One America News Network. Mr. Herring reviewed the performance data provided in presentation materials highlighting the performance of One America News Network compared to MSNBC, Fox Business News, Al Jazeera America, Fusion, and Bloomberg. Mr. Herring also provided and reviewed a two page printed performance presentation on AWE compared to Esquire Network, Sundance, NuvoTV, AXS, and ESPN Classic.

Mr. Herring proposed that the Commission may wish to scrutinize the effectiveness of the MOU process in the Comcast – NBCU merger prior to considering any merger conditions in the Comcast – Time Warner merger designed to benefit independent and minority owned networks.

If there are any questions, please feel free to contact the undersigned.
