Re: In the Matter of Promoting Innovation and Competition in the Provision of Multichannel  
Video Programming Distribution Services, MB Docket No. 14-261

Dear Ms. Dortch,

Enclosed please find a corrected version of the comments submitted by the Consumer Federation of America on March 3, 2015, in the above-listed docket. In the original version of the comments, there was an omission in one of the headings that would mislead the reader as to the message of the text under that heading as well as other minor typographical errors.

Respectfully submitted,
