When the Form 486 for this FCDL was submitted, it was beyond 120 days from receipt of the FCDL. This was an oversight on our part. We thought that it has been submitted but when we began submitting our 486 forms for our other FCDLs we noticed that this one had been missed. As a result, our service start date was amended from the one that we listed on the 486 (7/1/2014) and changed to 10/1/2014. We would like to appeal to have the service start date moved back to 7/1/2014 so that the service provider will receive funding for services rendered from 7/1/2014 – 9/30/2014. Otherwise the service provider will be forced to bill the school district for the difference in funding for those months. I am also attaching to this correspondence a copy of the applicable FCDL.
