Re: Rural Broadband Experiment Program
WC Docket Nos. 10-90 and 14-259
Withdrawal of Project from Consideration

Dear Ms. Dortch:

By *Public Notice* dated March 4, 2015, the Wireline Competition Bureau (“Bureau”) provisionally selected Skybeam, LLC (“Skybeam”) as a rural broadband experiment funding recipient for four “next-in-line” projects.¹ One of those projects reflected on the *Public Notice* proposed service to unserved census blocks in Minnesota. However, Skybeam did not submit required documentation for the Minnesota project, and the Bureau’s provisional selection of this project appears to have been in error.

Skybeam hereby withdraws from consideration the Minnesota project listed on the *Public Notice*. Skybeam is continuing to prosecute its application with respect to all of the other projects for which it has been provisionally selected.

Please contact the undersigned if you have any questions. Thank you.

Respectfully submitted,
