**Re: Supplement to New Lisbon Broadband and Communications, LLC
Petition for Waiver of ETC Designation Deadline
Rural Broadband Experiments
WC Docket No. 10-90, WC Docket No. 14-259**

Dear Ms. Dortch:

On behalf of New Lisbon Broadband and Communications, LLC (“NLBC”), JSI hereby provides supplemental information in support of the above-referenced Petition for Waiver.¹ The Indiana Utility Regulatory Commission (“IURC”) issued on March 20, 2015 the attached notice of prehearing conference and preliminary hearing scheduled for April 15, 2015. NLBC attorneys subsequently filed a motion with the IURC on March 26 to request that the April 15 prehearing conference be waived and converted to a final evidentiary hearing to accelerate the proceeding in order that the IURC can act as soon as reasonably possible. NLBC will further supplement the Petition for Waiver with updates of IURC action as it occurs.

Please direct inquiries regarding this Supplement to the undersigned consultant for the Company.

Sincerely,

John Kuykendall
