Docket No. 02 -60

To: Marlene H. Dortch  
Federal Communication Commission  
Office of the Secretary  
445 12th Street, SW  
Room TW-A325  
Washington, DC 20554

Submitted by: Michael O'Connor USF Consultants

**I. Withdraw of Appeal**

The issue raised, cost allocation of multiple services into a single eligible site, no longer warrants review as the issue has been addressed by the FCC. Services shall be viewed from the end user's perspective of bandwidth per physical port. The carriers physical design, underlying network and implementation do not enter into the cost analysis.

Dated this 5th Day of April, 2014

Respectfully submitted,

USF Consultants, Inc
