Hi Carl,

I wanted to let you know that Daytop New Jersey has accepted PAETEC's proposal for supplying internet and phone services. This new contract will take effect at the term end of their previous 3year contract which is June 30,2011.

The contract was forwarded to the Daytop New Jersey office for signing. You should receive those documents soon. Please let me know if you require anything further from me.

I look forward to our continued working relationship.

Regards,  
Michael

Hi Carl,

I just found out from the people at Daytop New Jersey that they had already signed the agreement letter. Please excuse the mix-up as this is the first time they are taking care of their contracts. As you know Daytop New Jersey and Daytop New York are severing network ties and all Daytop New Jersey billing will go directly to them. The contract will begin on July 1, 2011 and please consider my previous email of 3/15/2011, as formal acknowledgment of services agreement.

Again my apologies for the mix-up.

Michael
