**Re: Ex Parte Meeting Regarding GN Docket No. 12-268: Expanding the  
Economic and Innovation Opportunities of Spectrum Through Incentive  
Auctions**

Dear Ms. Dortch:

Michael Gravino, Director of the LPTV Spectrum Rights Coalition, (the "Coalition"), met on March 23, 2015 with members of the Incentive Auction Task Force including, Gary Epstein, Howard Symons, Media Bureau Chief William Lake, and Video Division Chief Barbara Kreisman.

We discussed the following items:

1. The projected schedule for the release of the Report and Order for the 3rd LPTV NPRM.
2. The projected schedule for the release of the responses to the Incentive Auction Petitions for Reconsideration pleadings.
3. The post-auction LPTV channel reallocation process, including the use by the FCC of the auction feasibility checker, and the process by which the MX, mutual displacement applications would be used.
4. The four Class-A licenses which submitted Petitions for Reconsideration, and why it would be beneficial to grant them auction eligibility. (see attached letter).

Respectfully submitted,

Mike Gravino, Director  
LPTV Spectrum Rights Coalition
