Please read this important notice about the “Regional BellSouth Long Distance” service you currently receive. This service, sometimes also referred to as “IntraLATA Toll” or regional calling, is the service that enables you to make non-local calls that are not interstate or InterLATA long distance calls.

On or after May 18th, 2015, BellSouth Telecommunications will transfer your account to Foothills Long Distance. Effective on or after that day, any regional calls you make will be carried by Foothills Long Distance and billed to you on your Foothills Broadband local exchange bill. Your state wide and interstate calls will be unaffected by this change. Any service or rate issues existing prior to this date will be addressed by your prior carrier using existing procedures.

Unless you opt otherwise before that date, you will be transferred to Foothills Long Distance on or after May 18th, 2015. You may choose a different carrier should you wish to select an alternative regional toll provider by contacting Foothills Broadband at the number(s) listed below. Foothills Long Distance will pay any carrier change fees associated with this transaction. Please note that this change will occur even for those subscribers who have a preferred carrier freeze on their accounts. You will need to contact Foothills Broadband to re-establish your carrier freeze after the transfer date.

Foothills Long Distance regional toll 1+ rates will be 12-cents a minute for residential and business customers with no monthly recurring fee. You will be notified via mailing or bill message of any rate changes that may occur after this date.

Any questions you may have about this transaction can be referred to our customer service department at 606-297-3501, 606-349-6111, 606-673-3193, or toll free at 1-888-262-3782.
