Dear Customer,

**Please read this important notice about the "Regional AT&T Long Distance" service you currently receive.** This service, sometimes also referred to as "IntraLATA Toll" or regional calling, is the service that enables you to make non-local calls that are not interstate or InterLATA long distance calls.

On May 18, 2015, BellSouth Telecommunications will transfer your account to Duo County Long Distance. Effective on that day, any regional calls you make will be carried by Duo County Long Distance and billed to you at your Duo County Telephone Long Distance local exchange bill. Your statewide and interstate calls will be unaffected by this change. Any service or rate issues existing prior to this date will be addressed by your prior carrier using existing procedures.

Unless you opt otherwise before this date, you will be transferred to Duo County Long Distance Service on May 18, 2015. You may choose a different carrier should you wish to select an alternative regional toll provider by contacting Duo County Telecom at the number(s) listed below. Duo County Telecom will pay any carrier change fees associated with this transaction. Please note that this change will occur even for those subscribers who have a preferred carrier freeze on their accounts. You will need to contact Duo County Telecom to re-establish your carrier freeze after the transfer date.

Duo County Long Distance regional toll 1+rates will be **15-cents** a minute for residential customers and **20-cents** a minute for business customers with no monthly recurring fee. You will be notified via mailing or bill message of any rate changes that may occur after this date.
