ST. MARY'S HIGH SCHOOL

on the Frank J. Bommarito Campus

Good Afternoon,,

This is my first year working with E-Rate for my school.

I applied for our services yesterday and thought I was in a place of completion.

I am not sure if there was a technical glitch at school, which is likely, but the form was sitting on my computer this morning, unsent.

I am seeking the opportunity to submit this to you on the basis of being unfamiliar with the process.

Please let me know as soon as possible how to rectify the situation.

Thank you,
