Dear Ms. Dortch,

I am writing to request the FCC grant a waiver of the Funding Year 2015 Form 471 deadline so that Poly Prep Country Day School's Form 471 E-Rate application will be considered as having been filed within the filing window.

I filed the Form 471 on April 12, 2015. After that date, the Poly Prep Country Day School Technology Director signed a contract for voice services on April 14. I did not realize that there was a new agreement until after the window closed.

I am not allowed to augment the original 471 request because the contracts were signed after the 471 was submitted.

The new contracts cover two-thirds of the voice and long distance services for the school. Not receiving the E-Rate funding will substantially impact the operation budget of Poly Prep Country Day School.

I request that the 471 for the new voice contract, submitted after the 471 window closed, be considered as having been filed within the window.

Thank you for your consideration of our request.

Respectfully submitted,

Stan Wykosky

Dear Ms. Dortch,

I am writing to request the FCC grant a waiver of the Funding Year 2015 Form 471 deadline so that St. Anastasia School's Form 471 E-Rate application will be considered as having been filed within the filing window.

Not receiving the E-Rate funding will substantially impact the operation budget of St. Anastasia School. Please do not penalize our school because of my failure.

I request that the 471 for the category 2 services, submitted after the 471 window closed, be considered as having been filed within the window.

Thank you for your consideration of our request.

Respectfully submitted,

Dear Ms. Dortch,

I am writing to request the FCC grant a waiver of the Funding Year 2014 Form 471 deadline so that Charles E. Smith Jewish Day School's Form 471 E-Rate application will be considered as having been filed within the filing window.

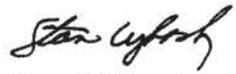

I filed the Form 471 for voice and internet services before the deadline. However, I overlooked one continuing FRN from the 2014 application. I did not realize I had missed the one contract until today when I was reviewing the application.

The missed FRN continuation is part of an ongoing agreement and covers three-quarters of the internet access, voice and long distance services for the school. Not receiving the E-Rate funding will substantially impact the operation budget of Charles E. Smith Jewish Day School.

I request that the 471 for the internet and voice contracts, submitted after the 471 window closed, be considered as having been filed within the window.

Thank you for your consideration of our request.

Dear Ms. Dortch,

I am writing to request the FCC grant a waiver of the Funding Year 2015 Form 471 deadline so that St. Anastasia School's Form 471 E-Rate application will be considered as having been filed within the filing window.

I filed the Form 471 on April 17, 2014 at 12:04 AM. I was experiencing problems with my computer and was unable to make the deadline. I certified the 471 at 12:06.

Not receiving the E-Rate funding will substantially impact the operation budget of St. Anastasia School. Please do not penalize our school because of my failure.

I request that the 471 for the new internet and voice contracts, submitted after the 471 window closed, be considered as having been filed within the window.

Thank you for your consideration of our request.

Dear Ms. Dortch,

I am writing to request the FCC grant a waiver of the Funding Year 2015 Form 471 deadline so that St. Jane Frances De Chantal School's Form 471 E-Rate application will be considered as having been filed within the filing window.

I filed the Form 471 on April 15, 2015 for Category 1 services. On April 16 the principal of St. Jane Frances De Chantal School signed a contract for Category 2 services. The contract was done according to the E-Rate rules and met all of the requirements. However, the filing of Category 2 service is new, complicate and detailed. I did not have all of the needed details before the window closed.

Not receiving the E-Rate funding will substantially impact the operation budget of St. Jane Frances De Chantal School and hamper the expansion of the School's wireless internet.

I request that the 471 for the category 2 services, submitted after the 471 window closed, be considered as having been filed within the window.

Thank you for your consideration of our request.

Dear Ms. Dortch,

I am writing to request the FCC grant a waiver of the Funding Year 2015 Form 471 deadline so that Connelly Holy Child School's Form 471 E-Rate application will be considered as having been filed within the filing window.

I filed the Form 471 on April 15, 2015 for Category 1 services. At the time I filed the 471, I did not know that the IT Director has signed a new agreement with Windstream. The agreement was bid properly and signed according to E-Rate rules. The only failure was my not including the new agreement in the 471 that I filed.

The new contracts cover more than two-thirds of the internet access, voice and long distance services for the school. Not receiving the E-Rate funding will substantially impact the operation budget of Connelly Holy Child School.

I request that the 471, submitted after the 471 window closed, be considered as having been filed within the window.

Thank you for your consideration of our request.
