Fox Public Schools is composed of Fox Elementary School which includes K-8th grade and Fox High School which includes grades 9-12. Fox is a small, rural district whose enrollment has declining for many years in the past and a building on our campus is provided to Tri-County Interlocal Special Ed Cooperative and a classroom is provided to Big 5 Head Start , although they are both separate entities. Big 5 Head Start is located in Ardmore, OK and resides in a classroom on our campus for convenience, the students would have to be transported from their homes to Fox School and an addition 45 miles to Ardmore if they did not have a classroom our campus. The Head Start reimburses Fox's Free & Reduced Lunch Program for their meals and do not participate in Fox Public Schools Free & Reduced Lunch Program's student count.

New Items not provided to the PIA Review teams: Items 2 and 4 & 5.

Attachments Included:

- 1) Letter from Head of Lunchroom Free & Reduced Lunch Program
- 2) Letter from Fox Independent School District 74 Superintendent
- 3) Big 5 Head Start reimbursement form
- 4) Oklahoma State Dept. of Education's for stating our student count
- 5) A Breakdown of the number of Tri-Counties student count & Fox Schools
- 6) Repeat of Items 4 & 5
- 7) Free & Reduced Lunch short form

Impact of This Decision:

The reduction of funding represents a tremendous impact on the out of pocket expenses of Fox Independent School . We believe that a re-consideration if the two FRNs and appeal of our request is in keeping with the overall goals of the E-Rate program.

We assure the FCC that we have been and remain strident in our efforts to understand and comply with all SLD guidelines.

We would appreciate being given the opportunity to have the FRNs re-evalu7ated and funded.

Sincerely,
Linda Anderson
