Dear Kesha:

This is a follow up to our telephone conversation from last week. There was a glitch in the new 471 online form which prevented me from filing the 471 inside the window. The glitch was later corrected and the 471 was filed outside the window. The appeal is based on that and I am asking that the FCC issue a waiver in order for the funding request for Miracle City Academy to be considered.

Cordially,

Keith Minkin
