

AFFIDAVIT

1. My name is Anne Thompson.
2. Presently, I am employed by Trinity Catholic Academy Brockton in the position of Technology Consultant.
3. From January of 1997 through January of 2007, I held the position of Technology Coordinator/director for the Brockton Public School District.
4. My responsibilities as Tech Director included the oversight of the process for preparing, submitting and processing applications for financial support from the Schools and Libraries Support Mechanism ("E-Rate Program") administered by the Universal Service Administrative Company ("USAC"). In doing so I worked with an E-Rate Program consultant engaged by the District to help ensure that the District was in compliance with the rules and regulations that govern the E-Rate Program.
5. Consistent with my responsibilities, I participated in the District's application process for E-Rate Program support for Funding Year 2007-2008 relating to FCC Form 470 Application No.560310000617305 for certain eligible telecommunications services ("Application"). Part of that participation included meeting, after the required posting of the Application with USAC, with representatives of Achieve Telecom Network of Massachusetts, LLC ("Achieve") to receive a presentation about Achieve's digital transmission services. I also reviewed a written proposal submitted by Achieve in response to the Application. To my knowledge, Achieve was the only company to respond to our request for proposals for these services.
6. At all times we took necessary steps to comply, and I believe did comply, with all E-Rate Program rules and with any applicable state and local procurement rules.

I believe that we took all necessary steps to ensure that we conducted a fair and honest competitive bidding process. Achieve was an E-Rate approved provider of such services and was also approved by the Commonwealth of Massachusetts as a provider of such services.

7. At no time during any of my interactions with Achieve or any of its representatives was I ever informed of, made aware of, or otherwise led to believe or suspect that Achieve had any partnership or affiliation with United States Distance Learning Association ("USDLA"). In fact, even as of this date I am unaware of any partnership or affiliation between Achieve and USDLA except to the extent that I have been made aware that the same has been alleged by USAC in a Notification of Commitment Adjustment Letter.

8. Achieve did inform the District of the opportunity to apply for a grant from USDLA to cover the District's share of the cost of the services ("District Share") covered by the Application. Achieve also generally noted that there were other potential sources of such grants.

9. Achieve never represented, either orally or in writing in any way that it was offering a service that would be of "no cost" to the District. Achieve never represented, either orally or in writing, that if the District selected Achieve as its service provider and applied for a grant from USDLA that approval of the grant by USDLA was guaranteed. Achieve did not present an automatic Grant from USDLA as part of the Achieve service proposal made to the District.

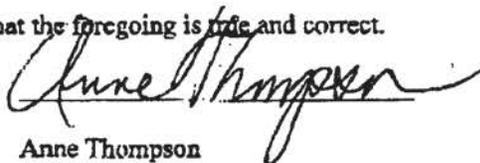

10. The District had sufficient funds in its overall technology budget to cover the District Share for its E-Rate Program supported services, including the service ultimately obtained from Achieve.

11. Again, Achieve was the only vendor to submit a bid or proposal in response to our RFP.

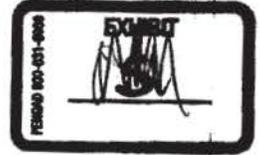

12. The District obtained, prepared and filed its own application with USDLA for a grant. Achieve was not involved in any way in the grant application process. District personnel dealt directly with USDLA personnel in completing the necessary forms to apply for the grant. USDLA never indicated in any way that it was affiliated with or in partnership with Achieve.

13. Any partnership or affiliation between Achieve and USDLA, if any existed, existed without the knowledge of the District, and the District was unaware of any impact of such partnership or affiliation on the price of Achieve's services in its proposal, if any.

I declare under penalty of perjury that the foregoing is true and correct.

2. Presently, I am employed by the Brockton Public School District (the "District") as the Director of Technology Services. My immediate predecessor was Anne Thompson.
3. My responsibilities as Director of Technology Services include oversight of programs benefiting from financial support from the Schools and Libraries Support Mechanism ("E-Rate Program") administered by the Universal Service Administrative Company ("USAC").
4. Consistent with my responsibilities, I have had the opportunity to meet and speak with representatives of Achieve Telecom Network of Massachusetts, LLC ("Achieve") the vendor that provides certain telecommunications services to the District resulting from FCC Form 470 Application No.560310000617305.
5. I am informed and believe that Achieve was at all times during which services have been provided by it to the District an E-Rate approved provider of such services and that Achieve was also approved by the Commonwealth of Massachusetts as a provider of such services.
6. At no time during any of my interactions with Achieve or any of its representatives was I ever informed of, made aware of, or otherwise led to believe or suspect that Achieve had any partnership or affiliation with United States Distance Learning Association ("USDLA"). been made aware that the same has been alleged by USAC in a Notification of Commitment Adjustment Letter.

8. Achieve has never represented to me, either orally or in writing in any way that it was offering a service that would be of "no cost" to the District. Achieve has never represented to me, either orally or in writing, that if the District selected Achieve as its service provider and applied for a grant from USDLA that approval of the grant by USDLA was guaranteed.

9. Any partnership or affiliation between Achieve and USDLA, if any existed, or if any exists now, existed or exists without my knowledge and I believe without the knowledge of the District, and the District was unaware of any impact of such partnership or affiliation on the price of Achieve's services, if any.

10. I am informed and believe that the District has engaged in honest and open competitive bidding procedures in obtaining the services provided by Achieve; that Achieve was the only vendor that responded to the District's request for proposals for such services; and that the District is in no way responsible for or complicit in any wrongdoing which has been alleged to have occurred.

I declare under penalty of perjury that the foregoing is true and correct.

Consistent with my responsibilities, I participated in Somerville's application process for E-Rate Program support for Funding Years 2005-2006 and 2006-2007 relating to FCC Form 470 Applications filed for certain eligible telecommunications services ("Application"). My role in the 471 submissions to USAC for Long Distance Learning Services to be provided by Achieve subject to E-Rate approval was related to setting up and keeping files of the documents relating to the Achieve 471 submissions and assisting the City's E-Rate Administrative Authority in coordinating the E-Rate process with the E-Rate consultant. As required under E-Rate Program Rules, Somerville timely submitted FCC Form 471 Nos. 2005-2006: 455467; 2006-2007: 516499 to USAC. USAC approved the E-Rate Program support by Funding Commitment Decisions Letters for Funding Requests Nos. 1257549 and 1421087, for 2005-2006 and 2006-2007 respectively (FDLS").

4. I learned from School Personnel that there was an opportunity for the School District to apply for a grant to cover the District's share of the cost of the services ("Somerville Share") covered by the Applications ("Grant").

5. To the best of my knowledge and belief, Somerville was not aware of the existence of any partnership between Achieve and USDLA and was unaware that Achieve allegedly solicited donations for USDLA.

6. To the best of my knowledge and belief, there was never an offer by Achieve to waive or otherwise not require payment of Somerville School District's share. Nor to the best of my knowledge did Achieve ever offer to rebate the District's share.

7. My responsibilities with the City of Somerville included the oversight of the process of preparing, submitting and processing the Selective Review Process for the Schools and Libraries Division ("E-Rate Program") administered by the Universal Service Administrative Company ("USAC"), by and through Grant Thornton LLP for Funding Year 2006, as it related to the submissions of the billed entity, the Somerville School District.

8. Consistent with my responsibilities, as an administrator supporting the E-Rate Authorized Representative and working with the Authorized Representative, I compiled all necessary review material and provided all necessary documentation on behalf of the Somerville School District, as it related to the selective review process. The District disclosed the grant award from United States Distance Learning Association ("USDLA") in response to Item 10.4 of Attachment B., see Exhibit 1.

9. In its "Report of Independent Certified Public Accountant", dated July 15, Grant Thornton LLP 2008, which conducted the selective review, concluded that the Somerville School District complied with the requirements relative to disbursements of funds and its applications and service provider selections processes, see Exhibit 2.

10. To the best of my knowledge the Somerville did not withhold information as to the application and award of the Grant from USDLA to cover the Somerville School District's share throughout all aspects of the E-Rate application process and selective review process.

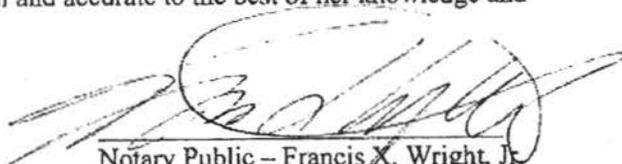

I declare under penalty of perjury that the foregoing is true and correct on this 12th day of March, 2009.

My responsibilities with Somerville included assisting with the applications for financial support from the Schools and Libraries Support Mechanism ("E-Rate Program") administered by the Universal Service Administrative Company ("USAC").

2. Consistent with my responsibilities, I participated in Somerville's application process for E-Rate Program support for Funding Years 2005-2006 relating to FCC Form 470 Applications filed for certain eligible telecommunications services ("Application"). I did not take part in the process for 2006-2007 because I had left my position with Somerville in June 2006. Part of my participation included, when necessary, meeting, after the required posting of the Application with USAC, with representatives of Achieve Telecom Network of Massachusetts, LLC ("Achieve") to receive a presentation about Achieve's digital transmission services. I also reviewed of written proposals submitted by Achieve concerning its proposed services in response to the Applications. 4. Achieve's oral and written presentations to Somerville in connection with the Applications did not represent in any way that Achieve was offering a service that would be "no cost" to the Somerville. Achieve also generally noted that there were other potential sources of such grants. However, Achieve did not represent, either orally or in writing to Somerville that if Somerville selected Achieve as its service provider and applied for such a Grant from USDLA, that approval of the Grant by USDLA was guaranteed. Achieve did not present an automatic Grant from USDLA as part of the Achieve service proposal made to Somerville. Furthermore, USDLA specified that the Grant awards were not contingent upon the selection of Achieve for the provision of services to the Somerville.

5. Somerville obtained, prepared and filed its own applications with USDLA for the Grants. Achieve was not involved in any way in the Grant application process. On behalf of Somerville I dealt directly with USDLA personnel in completing the necessary forms to apply for the Grants.

Re: Appeal of Funding Commitment Adjustment Report
Form 471 Application Number: 502263 and 447884

To Whom It May Concern:

This is the Chelsea School District's (hereinafter "Chelsea") appeal of USAC's Determination that Chelsea violated the Schools and Libraries Program rules in Funding Years 2005 and 2006. Chelsea adamantly denies any wrongdoing and request that you review the appeal below and the attach documents and overturn your decision to rescind funding in full.

Chelsea asserts that it in no way violated any state or federal laws regarding competitive bidding. In fact, your notification fails to state evidence showing Chelsea in fact violated any rules. This appeal pertains to the following:

Billed Entity: 120548
FCC Registration No.: D012041364
Forms 471 Application Numbers: 447884 and 502263

Chelsea received with the Notification of Commitment Adjustment Letters for Funding Years 2005 and 2006 on or about January 14, 2009. The person you may discuss this appeal with is me, Cheryl Anne Watson, City Solicitor/School Counsel, City of Chelsea, City Hall, 500 Broadway, Chelsea, Massachusetts 02150, telephone 617-466-4150, facsimile 617-466-4159, email cwatson@chelseama.gov.

FACTS:

During the 2004-2005 school year, Chelsea began to explore options to implement a long distance learning option within its menu of course offerings. In the course of this process, for the school years 2005-2006 and 2006-2007, Chelsea entered into a contract with Achieve Telecom to provide long distance learning services and sought funds through the federal erate program and a private grant to pay for this service. Chelsea, in December of 2004 advertised for the long distance learning services using the form 470 process and

indicated in our bidding process that we were going to choose a vendor already approved by the Commonwealth of Massachusetts for these services. The Schools and Libraries Division of the Universal Service Administrative Company (SLD) is the federal agency that approved this service for the erate discount. The form 470 is an approved process by the SLD.

Chelsea also applied for and received a grant from the United States Distance Learning Association (USDLA) to pay for amounts due Achieve Telecom not covered by the erate discount. A summary of the source and use of funds is as follows:

School Year	Achieve Telecom cost of service	Portion funded through erate discount	Portion funded through USDLA grant
2005-2006	\$45,150	\$36,120	\$9,030
2006-2007	\$45,150	\$36,120	\$9,030

School Year 2005-2006

In mid December 2004, Chelsea advertised for responses to Form 470.

On December 20, 2004, Chelsea filed (posted) its Form 470 Form with the SLD [Attached as Exhibit A is Chelsea's Form 470]. Also on December 20, 2004, Achieve Telecom Network ("Achieve") filed its response to the 470 application with Chelsea [Attached as Exhibit B is Achieve's response]. Achieve was the only company to respond.

On February 8, 2005, Chelsea submitted its Form 471 application.

On June 27, 2005, Chelsea received notification from USDLA that it was approved for a grant for Chelsea's Digital Divide Project. In that letter there was no mention of the amount of the grant [Attached as Exhibit C is the June 27, 2005 letter from USDLA]. It should be noted that prior to applying for the USDLA grant Miguel Andreottola, Chelsea Public School's Technology Director, checked the SLD website for information and the guidelines.

On about July 26, 2005, Chelsea entered into a contract for services with Achieve. Chelsea had encumbered the funds for the contract [Attached as Exhibit D is the Contract between Chelsea and Achieve].

On August 31, 2005, Chelsea received a reaffirmation of the grant approved for three years from USDLA. In that letter, USDLA directs and informs Chelsea that all invoices should be sent to its vendor, Achieve [Attached as Exhibit E is the August 31, 2005 letter].

School Year 2006-2007¹

¹ Copies of documents for School Year 1006 -- 2007 are available upon request.

On December 8, 2005, Chelsea advertised for responses to Form 470. And on December 9, 2005, Achieve filed its response to the 470 application with Chelsea. Achieve was the only company to respond.

In early May, 2006, Chelsea submitted a letter to USDLA applying for the second year of the grant.

On about July 18, 2006, Chelsea extended the previous contract for services with Achieve. Chelsea had encumbered the funds for the contract.

On September 8, 2008, Chelsea received notification that SLD was requiring a response within a couple of weeks regarding Chelsea's compliance with the rules of the program. This notification informed us that SLD determined prior to sending us the notification that Achieve and other entities relied on USDLA grants [Attached as Exhibit F is the September 8, 2008 letter]. The letter then specifically inquires as to whether the Chelsea used the grants in funding years FY 2005 and FY 2006. Chelsea responded in the affirmative; Chelsea responded truthfully that it did use USDLA grant monies in FY 2005 and FY 2006.

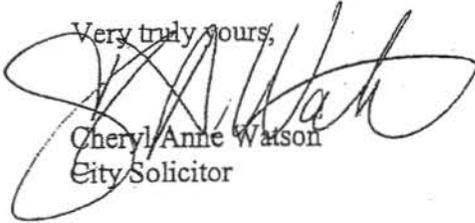

ARGUMENT:

Chelsea asserts that it in no way violated any state or federal laws regarding competitive bidding. As the facts point out, and there are no facts stating the contrary, Chelsea followed all bidding requirements and did so for both Funding years. Chelsea has never stated that it relied on any information from Achieve regarding funding of their services.

- a. Chelsea has and had no knowledge of a relationship between Achieve and USDLA prior to the September 2008 notification.
- b. Chelsea has and had no knowledge of USDLA's process and determination of awarding funds. In fact, notification of the award informed Chelsea that it was not dependent upon a selection of any specific vendor. Chelsea relied on that statement.
- c. Achieve at no time indicated in their bid, which is attached as Exhibit B, an offer or guarantee of any grants or rebates for their service. Chelsea applied for such grant on its own prior to Achieve; during contract negotiations, mentioned that grant funding was available. If you review the contract with Achieve you will not find any offers or guarantee of grants or rebates.
- d. As to the September 8, 2008 notification, Chelsea did not admit or affirm that Chelsea relied on USDLA grants as a condition of agreeing to contract with Achieve. The answer to the trick question was based on the last sentence. Chelsea only answered in the affirmative that it received funding and used it for FY 2005 and FY 2006. Chelsea's contract with Achieve clearly shows that Chelsea was prepared to pay Achieve for the non-discounted share of the costs, whether or not we received a grant from USDLA.

The above facts and attached documents show that the City in no way colluded, as alleged with Achieve and has not violated any rules or procedures of the SLD program.

Very truly yours,

Dave,

Sorry to hear that. Do you think you might reconsider next year?

I think both companies provide a good product and I have worked with Cisco in the past so I may be able to get you a discount with them. They are both members of USDLA so you should still try and get a grant to help out. I will let Jane know too.

Let me know how or if you want to proceed with Cisco.

Subject: RE: Hartford Public Library

Hi Joy

We have decided not to move forward with the service at this time but I think the schools might. However, I was thinking maybe of just a video conferencing system and was thinking of either Polycom or Tandberg. Do you have any advice on either.

Thank You

We were planning on outfitting 3 branches, but it I my understanding given the 2 out of every 5 year rule and way MHIS updates a portion of the city each year, only equipment at the Central Library is eligible for this year. We were planning on sending the distance learning and VOD to the branches via our existing network to the existing public pcs at the branches where it can be viewed or projected.

Dave -

To clarify, we propose to install 5 AchieveXpress IC units in the Central Library locations as detailed in the FAQs (think of this as the "transmission/broadcast system") and then install a network of AchieveXpress routing servers – 1 in each branch (think of this as the "network viewing system"). As we discussed in the presentation, this total system will allow for presentations that are offered at Central to be seen by library attendees in each of the branches.
