RE: Filing CAPSCW 5.7.15

Community Action Partnership of Sonoma County is requesting waiver of the 60 Day rule to appeal USAC Schools and Libraries action. Community Action Partnership of Sonoma County's Form 471 882963, Funding Request 2405517 for Funding Year 2013-2014 was denied.

The denial of Form 471 882963 Funding Request 2405517 for Funding Year 2013-2014 resulted in the issuance of USAC Notification of Commitment Adjustment Letters were issued for Funding Request Number 2049098, 2134205 and 2274703.

Community Action Partnership of Sonoma County appealed the denial to USAC and brought forth persuasive information that the funding request 2405517 should be approved. In that appeal, Community Action Partnership of Sonoma County demonstrated that USAC guidelines for awarding of the contract for services for which funding approval was received for Funding Request Numbers 2049098, 2134205 and 2274703 were followed.

In communications with USAC representatives, Community Action Partnership of Sonoma County was instructed to submit this request for waiver of 60 Rule to allow it to appeal the Notification of Commitment Adjustment Letters.

Sincerely,

Rich Tunheim
