RE: WC Docket No. 13-184

Dear Chairman Wheeler, Commissioners Clyburn, Rosenworcel, Pai, and O’Rielly,

We are writing in response to, and in full support of, the Petition of Reconsideration and Clarification filed by T-Mobile with the FCC on March 6, 2015. We believe the modest actions requested by T-Mobile are in the best interest of schools and libraries across the nation, and will provide the clarity E-Rate applicants need to select the most cost-effective broadband service provider for their students.

We urge the Commission to adopt T-Mobile’s requested changes as soon as possible.

Respectfully submitted,
