CG Docket No. 06-181
Petition for Closed Captioning Exemption
Request for Supplemental Information

Dear Pastor Sanders:

This letter concerns your Petition for exemption from the Federal Communications Commission's (FCC's) closed captioning requirements. After reviewing your Petition, the Consumer and Governmental Affairs Bureau (Bureau) has determined that additional information, as set forth below, is required to enable us to determine whether the programming that is the subject of your Petition should be exempted from the FCC's closed captioning requirements because captioning such programming would be economically burdensome to your organization.

Specifically, your Petition included information about the name of the program, the nature and cost of the closed captions, the impact of captioning on your operation and program, your financial resources, verification you sought captioning assistance from the video programming distributor, and a description of your overall operation. We conclude, however, that because your Petition is missing one more piece of required information, we cannot take further action on it.

If you wish for your Petition to receive further consideration for a closed captioning exemption, you must supplement your Petition by providing us with the information described below **by June 10, 2015**, which is 30 days from the date of this letter:

- Additional sponsorships. Verify that you have sought additional sponsorships (other than from your program distributor) or other sources of revenue specifically for the provision of closed captioning on your programming. State your efforts to obtain such revenue, and whether these requests were accepted or rejected. If rejected, state whether you do not otherwise have the means to provide captioning. If accepted, describe the assistance that each sponsor has offered to provide. If your organization is precluded from seeking outside assistance or you cannot solicit and/or accept such sponsorships, provide the reason why you are unable to do so.
- Affidavit or declaration. Your supplemental submission must contain a detailed, full showing, supported by a signed and sworn affidavit or signed declaration made under penalty of perjury attesting to the truthfulness and accuracy of the information and representations contained in your submission. An affidavit is a written statement made under oath, before an official who is authorized to administer oaths, such as a notary public or county clerk. A declaration is a written statement made under penalty of perjury, such as "I declare under penalty of perjury that the information contained in this submission is true and correct." (See 47 C.F.R. § 1.16.) The affidavit or declaration must be dated.

If the Bureau determines that your Petition, as supplemented by your response to this letter, provides sufficient information upon which to make a determination of whether or not to grant a closed captioning exemption, we will place your Petition on public notice under Docket No. 06-181 at <http://fjallfoss.fcc.gov/ecfs>. Members of the public will then have 30 days to file comments on and/or oppositions to your Petition, including the supplemental information you have provided in response to this letter, after which you will have 20 days to respond. At the end of this timeframe, the Bureau will review your Petition, along with any comments and responses received, to determine whether you have demonstrated that providing closed captions would be economically burdensome. If Bureau denies your Petition, you will have 90 days from the date of your notification of the denial to begin captioning.

If you do not supplement your Petition with all of the updated information and documentation requested in this letter within 30 days of the date of this letter, we will conclude that you have failed to support your exemption request with adequate explanation and evidence, and will dismiss your Petition. In the event of such dismissal, your organization will be required to begin providing closed captioning for your program(s) within 90 days of the date of our notification to you that your Petition has been dismissed.

If you have questions pertaining to this letter or the information and materials requested herein, please contact the FCC's Disability Rights Office at captioningexemption@fcc.gov.

Instructions for Filing a Supplement to a Closed Captioning Exemption Petition

Your supplemental information must be submitted to the FCC by e-mail to captioningexemption@fcc.gov. Petitions and supplemental materials may not be filed directly on the FCC's Electronic Comment Filing System (ECFS) or by U.S. mail. At this time, the FCC's e-mail system does not accept attachments in the form of .ZIP files or file sizes larger than 13.3 megabytes. If a petitioner has concerns that its file size will exceed this limitation, please contact captioningexemption@fcc.gov. Because the FCC will upload petitions and any supporting information and documentation to ECFS, petitioners must follow the ECFS document format guidelines (<http://apps.fcc.gov/ecfs/userManual/upload/documents.jsp>) when sending petitions, supporting information, and documentation via e-mail. For more information about this electronic filing procedure, visit <http://www.fcc.gov/encyclopedia/economically-burdensome-exemption-closed-captioning-requirements>.

You must include your case identifier number, which is located at the top of this letter, and CG Docket Number 06-181 in all correspondence with the FCC regarding your petition.
