CC Docket No. 02-33

May 1, 2015

Matanuska Telephone Association, Inc. ("Company") hereby provides notice that it intends to cease offering wireline broadband Internet access service on a tariffed basis under NECA Tariff No. 5. Effective July 1, 2015, the Company will begin offering wireline broadband Internet access service on a Title II, common carriage, permissive detariffed basis pursuant to paragraph 94 of the Federal Communications Commission's Wireline Broadband Order.<sup>1</sup> The geographic areas affected by the change are the Company's exchanges where DSL is technically feasible.

Today, this service is provided to MTA Communications, LLC. Effective July 1, 2015, the company will make its wireline broadband Internet access service available on a permissive detariffed, common carriage basis through posting of rates, terms and conditions available on our website ([www.mtasolutions.com](http://www.mtasolutions.com)) and in printed copy during normal business hours at the Company's main office located at 1740 S.
