

## **FCC E-rate Maps of Fiber Connectivity to Schools and Libraries Corrections**

Durand School District – Durand, WI 54736

NCES ID: 550384000136

The school is not depicted in the correct location on the map. It should be by the word Durand. The Library icon for Durand is the correct location for the School. The Durand Community Library is housed in the Middle/High School building. The community library uses fiber broadband internet service from the school.

- Durand Middle/Sr. High School – Served with Fiber Optic – 100 Mbps
- Arkansaw Elementary – Served with Fiber Optic
- Caddie Woodlawn Early Learning Center – Served with Fiber Optic

The 3 school facilities are connected into the main district server for internet.

Fiber is provisioned for individual building to have their own broadband connection if desired.

Gilmanton School District – Gilmanton, WI 54743

NCES ID: 550537000574

- Gilmanton Middle/High School – Served with Fiber Optic – 100 Mbps
- Gilmanton Elementary – Served with Fiber Optic

The 2 school facilities are connected into the main district server for internet.

Fiber is provisioned for individual building to have their own broadband connection if desired.
