Re: Connect America Fund, WC Docket No. 10-90

Dear Ms. Dortch:

On May 26, 2015, Walter McCormick, President and Chief Executive Officer of USTelecom, met with Commissioner O’Rielly. The subject of discussion focused on Universal Service. Specifically, the parties discussed CAF-related issues and the need for Universal Service reform this year with respect to the rate-of-return industry. They also discussed the need for adoption of a plan to support broadband-only lines as part of the reform effort.

Please contact the undersigned should you have any questions.

Sincerely,
