Re: *Connect America Fund, WC Docket No. 10-90*

Dear Ms. Dortch:

On June 2, 2015 Charles Knibbe, Ritchie Sorrells, Mark Gitter, Josh Pettiette, Jeff Mnick , Bruce Foyer and the undersigned of GVTC met with Commissioner Michael O’Rielly and Amy Bender Wireline Legal Advisor to Commissioner O’Rielly at GVTC’s offices in Smithson Valley, Texas.

The GVTC representatives expressed their appreciation for Commissioner O’Rielly and Ms. Bender taking the time to visit GVTC and their sincere interest in the hearing from GVTC. The representatives shared GVTC’s history, insight into GVTC operations, GVTC’s GigaRegion deployment of gigabit services, and Fiber to the Home and Business deployment. GVTC announced its fiber deployment plans in 2004 and since that time has been aggressively and efficiently building fiber based services to meet the needs of its customers.

I discussed the need for continued Federal support for existing infrastructure investment and expenses as well as the importance of the development of appropriate support mechanisms of a network capable of meeting the Commission’s and industry’s broadband deployment objectives. I also addressed my letter dated June 2 to Commissioner O’Rielly regarding GVTC waiver request.

Pursuant to section 1.1206 of the Commission’s rules, a copy of this letter is being filed via ECFS.

Sincerely,

A handwritten signature in black ink that reads "Robert A. Hunt". The signature is written in a cursive, flowing style.

Robert Hunt
