**Re: Interstate Telecommunications Relay Services and Speech-to-Speech Services for Individuals with Hearing and Speech Disabilities, CG Docket No. 03-123; Structure and Practices of the Video Relay Services Program, CG Docket No. 10-51**

Dear Ms. Dortch:

On June 11, 2015, Claude L. Stout, Executive Director, Telecommunications for the Deaf and Hard of Hearing, Inc., (“TDI”) spoke with Gregory Hlibok, Chief, Disability Rights Division of the FCC to clarify the position of Consumer Groups and Registry of Interpreters for the Deaf regarding their June 4, 2015 filing in this docket. Mr. Stout explained that in Part I of this filing, Consumer Groups and Registry of Interpreters for the Deaf intended to advocate service quality standards for all TRS services, but intended to call for a freeze on rates only for VRS.

Respectfully submitted,

*/s/ Eric J. Branfman*

Eric J. Branfman  
Counsel for Telecommunications for the Deaf and Hard of Hearing, Inc.
