To Whom It May Concern:

Greater Community Temple is a community-based church with two (2) locations in Memphis. We operate under the Church Of God In Christ, Inc., and are incorporated as a 501(c)(3). We are funded by donations and fundraisers, all of which are fully tax-deductible. Organizations like ours make available the spiritual resources that enrich families, communities, and individuals throughout the world.

We are honored to have the opportunity to send the message of Jesus Christ through the airwaves. Our radio and television program is entitled *Touched by the Truth Ministries*. We reach thousands weekly via radio (95.7 Hallelujah FM & 94.7 WOJG) and television (WREG Channel 3, The WORD Network & Comcast Access Channel 17).

As we understand it, the FCC has mandated that all television programs include Closed Captioning. Therefore, we have three (3) shows that we would have to include Closed Captioning on for our show *Touched by the Truth Ministries*. The cost of Closed Captioning would prove to be a financial burden, grossly obstructing our continued communication via television. We are not attempting to simply save a few dollars; however, we know that if we don't receive this exemption, we will be forced to discontinue our shows. Closed Captioning is a financial burden we won't be able to bear.

Our prayer is that you will join us in our efforts to continue to impact our community by making a financial contribution directly to our television ministry to help offset the cost of Closed Captioning. Your support is greatly appreciated and will assist us in continuing to spread the Gospel of Jesus Christ to thousands. No donation is too great or small.

If you have additional questions or concerns, do not hesitate to contact our Director of Communications, Jeff Williams, either via email at jwill0604@gmail.com or by calling 901-415-5956.

Thank you in advance for your consideration.

Dear Ms. Hill:

Thank you for considering Camp Porter as a partner in your efforts to sponsor closed captioning for your programs. However, I am afraid that I will have to decline your request for sponsorship. We are not in a position to provide the needed funding at this time. I wish you well in your continued efforts.
