Re: *In the Matter of Special Access Rates for Price Cap Local Exchange Carriers, WC Docket No. 05-25; AT&T Corp. Petition for Rulemaking to Reform Regulation of Incumbent Local Exchange Carrier Rates for Interstate Special Access Services, RM-10593*

Dear Ms. Dortch:

On June 19, 2015, I discussed the timing of the above-referenced proceedings with Billy Layton of the Wireline Competition Bureau. During the discussion, I stated that the Commission should adopt a schedule for comments and reply comments regarding the information filed in response to the mandatory data request that allows parties sufficient time to study the data before filing but that is also expedited enough to enable the Commission to complete the special access rulemaking in the near future.

Please do not hesitate to contact me if you have any questions or concerns regarding this submission.

Respectfully submitted,

/s/ Thomas Jones
