**Re: Notice of Ex Parte Submission, GN Docket No. 13-5, Technology Transitions;
GN Docket No. 12-353, AT&T Petition to Launch a Proceeding Concerning the
TDM-to-IP Transition.**

Dear Ms. Dortch:

On June 23, 2015, I spoke with Commissioner Pai about the importance of the Commission moving an Order in the Technology Transitions proceeding on a bipartisan basis that will protect and promote competition, ensuring that all consumers whether they are residential or business will continue to obtain the services they need as the nation's telecommunications networks move to all IP.

Sincerely,
