Re: Notification of Substantive Change, *Structure and Practices of the Video Relay Service Program*, CG Docket No. 10-51—47 C.F.R § 64.606(f)(2).

Dear Ms. Dortch:

Pursuant to 47 C.F.R § 64.606(f)(2), CSDVRS, LLC., (“ZVRS”) hereby notifies the Commission of a substantive change to its TRS service. Sean Belanger is no longer the CEO of ZVRS, which became effective on June 23, 2015. Sean served as CEO of ZVRS for eight years and was instrumental in the transformation of a small VRS company to one of the leading video relay services. We are forever grateful for Sean for his dedication and leadership.

In addition, we would like to announce that Sherri Turpin has been appointed as the new CEO of ZVRS and will begin her duties in July. She brings with her an extensive background as a senior executive with Earthlink, a managed network, security, and cloud solutions provider. She brings with her a proven track record in customer-focused innovation, maximizing team effectiveness, and building a healthy high performance cultures. Recently, she was selected for “The Channel Company’s 2015 CRN® Women of the Channel”, which honors outstanding female executives across channel organizations. ZVRS is very excited to welcome Sherri on board and we look forward to the future.

ZVRS does not anticipate that these changes affect compliance with the requirements set forth in the Commission’s TRS Rules and Orders.

Sincerely,

/s/

Mike Strecker
Vice President of Telesales and Logistics and Compliance Director
