

GCI Mobility Phase I
Tribal Government Engagement Obligation Statement
SACs 618001 through 618218

A full report of GCI's Tribal Engagement activities for 2014, including discussions with Tribal governments regarding needs assessment and deployment planning with a focus on Tribal community anchor institutions, feasibility and sustainability planning, processes including rights of way and permitting, environmental and cultural preservation, and all other appropriate data is filed as part of the FCC Form 481, July 1, 2015.
