EX PARTE LETTER

RE: WC Docket No. 05-25, RM-10593, GN Dkt No. 13-5

Dear Secretary Dortch:

On June 1, 2015, BT met with Eric Ralph, Deena Shetler, Aleks Yankelevich, Chris Koves and David Zesiger, WCB and WTB, FCC. Representing BT in person were Sheba Chacko, Senior Counsel and Head, Americas Regulation and Global Telecoms Policy, and Jennifer Taylor Hodges, VP, US Government Affairs. Thomas Jones of Willkie Farr and Gallagher, and Scott Marcus from the economic consulting firm, WIK-Consult, also participated on behalf of BT, but via telephone from Washington DC and Germany respectively. During this meeting BT did not advocate any particular point of view but asked the FCC staff whether an analysis of regulatory approaches for leased line access in other countries would be helpful to the analysis of special access in the U.S. In this regard, BT asked whether it would be helpful to analyze information on regimes that have leased line access reference offers, tariffs, price controls, price caps and cost accounting data from incumbents.

If you have any questions regarding any matters discussed herein please contact the undersigned.

Sincerely,

A handwritten signature in black ink that reads "SChacko". The signature is written in a cursive, slightly slanted style.

Head, Americas Regulation and Global Telecoms Policy, BT
