

TRIBAL ENGAGEMENT

Ross Feil- Facilities Manager
Andrea Fetsch-Plant Records Clerk
Russ Lund-Network Technician

On February 5, 2014 at 7:00 PM Andrea Fetsch, Russ Lund and I attended an open tribal meeting at Tribal Headquarters to present the tribal council and members of the Turtle Mountain Tribe of Chippewa Indians some security solutions that we have available.

I addressed the council and assembly about our FTTH plans and what areas would be receiving fiber optics in 2014. I addressed the limitations of our extended reach Internet offering (Charles Industries) and emphasized the benefits of fiber optics and its role in home security and home automation. The floor was opened for questions, after which I introduced Andrea and Russ and they did their presentations.

Andrea Fetsch spoke in detail about our Clear2There offering, home automation and home security and answered questions from the Tribal Council.

Russ Lund spoke in detail about traditional security systems and camera systems.

After both presentations the floor was opened for questions from members of the tribe. After our presentation the Chairman invited us to attend another open meeting on February 20, 2014, and we were excused.

On February 20th 2014 at 10 AM Russ and Andrea attended an open forum at the Sky Dancer Casino in Belcourt. This meeting was also broadcast on KEYA radio. After a few speakers they were invited to

the Podium and did a presentation on Home Security, Home Automation and camera systems. The floor was opened to questions and comments and members of the tribe voiced concerns over the increasing number of break ins and home invasions.

Perry Oster – General Manager
Ross Feil – Facilities Manager

On November 6, 2014 at 10:00 a.m., Ross Feil and myself met with Richard McLeod Tribal Chairman of the Turtle Mountain Tribe of Chippewa and the Tribal Council at the Tribal Headquarters Office.

We discussed the fiber to the premise project on the Reservation and the progress being made and addressed some issues on cleanup after the fiber had been placed.

We also discussed Tribal Resolution TMBC254-06-13 concerning Schindler CATV. Schindler's were authorized exclusive rights to provide service in the town area of Belcourt and all housing sites. We informed the Chairman and the Council that we would work with Schindler CATV to come to a resolution so members may receive the same services on all parts of the Reservation is available. Since that date Turtle Mountain Communications and Schindler CATV have negotiated a share Franchise Agreement and the Tribal Resolution has been resolved in 2015.

We also discussed the BIA 11 fiber to the premise project that would be starting in the spring of 2015 and that the Turtle Mountain Reservation boundaries would be served with fiber optic cable.

We were excused from the meeting.
