Re: Amendment to Section 63.71 Application of Carr Telephone Company for
Authority to Discontinue Certain Services
WC Docket No. 15-161

On behalf of Carr Telephone Company (“Carr”) JSI respectfully submits this
Amendment to the Carr 63.71 application to discontinue the provision of certain local
operator services.¹ This Amendment clarifies the description of affected services.

The services to be discontinued include “0” dialing to reach a local operator, “0 + 10”
dialing for operator-assisted calling services and operator-assisted calling card services. This
amendment clarifies that Carr has never offered Busy Line Verification or Busy Line
Interrupt and those services are not subject to the Application.

Please direct inquiries regarding this Amendment to the undersigned consultant for
the Company.

Sincerely,

Valerie Wimer
Vice President

on behalf of

Terri Bogner
Secretary
Carr Telephone Company
