Appeal Explanation:

In October 2014, the individual responsible for management of The Newark Public School's E-Rate processes separated from The District. (See proof of separation, as documented in the

District's HRS system.) All correspondence between USAC and Newark School District was misdirected. Upon receipt, April 13, 2015, of the attached notification from USAC, it was learned that Newark School District's Form 486s were not processed. These were promptly processed and certified. The Newark School District requests a review of these extenuating circumstances and humbly asks the commission to recognize our application for reimbursement of the previously approved funding requests.

Sincerely,

A handwritten signature in black ink, appearing to be 'S. Boros', written in a cursive style.
