Re: *Applications of AT&T Inc. and DIRECTV for Consent To Assign or Transfer Control of Licenses and Authorizations, MB Docket No. 14-90, NOTICE OF ORAL EX PARTE PRESENTATION*

Dear Ms. Dortch:

On July 17, 2015, Robert Quinn, Jr., Senior Vice President—Federal Regulatory and David Lawson, Senior Vice President and Assistant General Counsel, of AT&T Inc. (“AT&T”) had a telephone conference with Jamillia Ferris and a telephone conference with Ms. Ferris and Susan Singer to discuss AT&T’s proposed acquisition of DIRECTV. During the calls, the participants discussed the substantial, direct, and verifiable benefits that the AT&T/DIRECTV merger will deliver to tens of millions of consumers. The participants also discussed voluntary commitments that will provide the Commission with further assurance that the transaction will serve the public interest and deliver benefits to consumers.

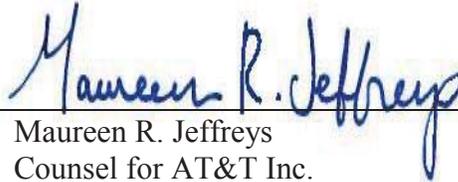

The Commission should promptly approve the transaction so that consumers can begin to enjoy the resulting pro-competitive, public interest benefits.
