Re: Ex Parte Filing
PS Docket No. 13-209

Dear Ms. Dortch:

This is to advise that on July 22 Messrs. Carlos Fernandez and Bruce Scapier of Potomac Spectrum met with Brendan Carr, legal advisor to Commissioner Pai, on behalf of PowerTrunk, Inc.

The PowerTrunk representatives discussed the benefits of TETRA as well as PowerTrunk's position in the above-referenced proceeding. They urged that the freeze applicable to digital equipment not conforming to emission Mask H and specified for use on 800 MHz NPSPAC channels, be lifted as soon as possible, and that this proceeding be brought to a close consistent therewith.

A copy of this letter is being filed in the above-referenced proceeding.

Respectfully submitted,

William K. Keane
