Washington, DC 20554

Re: *Ex Parte Communication, ET Docket No. 14-165 and GN Docket No. 12-268*

Dear Ms. Dortch,

This letter is submitted, pursuant to Section 1.1206(b)(1) of the FCC's rules, to notify you that representatives of the Wireless Medical Telemetry Service ("WMTS") Coalition met July 23, 2015 with the following FCC personnel, each in a separate meeting: Jessica Almond, Acting Legal Advisor to Chairman Tom Wheeler; Erin McGrath, Legal Advisor to Commissioner O'Rielly; Brendan Carr, Legal Advisor to Commissioner Pai; David Strickland, Legal Advisor to Commissioner Clyburn; and Johanna Thomas, Legal Advisor to Commissioner Rosenworcel. The WMTS Coalition was represented by Dale Woodin, Executive Director of the American Society for Healthcare Engineering of the American Hospital Association ("ASHE"); Mark Gibson of Comsearch, the technical consultant to ASHE; Michael Fitzpatrick and Orrin Marcella of General Electric Company representing GE Healthcare; Ari Fitzgerald and Tom Peters of Hogan Lovells US LLP representing GE Healthcare; and the undersigned, counsel to ASHE and the WMTS Coalition..

The WMTS Coalition discussed its letter to Chairman Tom Wheeler, dated July 21, 2015, in which the Coalition requested a three-month delay in the Commission's consideration of technical rules to govern sharing of Channel 37 by unlicensed TV White Space devices. The Coalition also generally discussed the framework of discussions underway with representatives of the unlicensed device community (described in the July 21 letter) which would form the basis for an industry-wide resolution of those technical rules for the Commission's consideration. A copy of the July 21, 2015 letter is attached hereto.

WILKINSON) BARKER) KNAUER) LLP

Ms. Marlene H. Dortch, Secretary
